

Graduate School of Management Studies GUJARAT TECHNOLOGICAL UNIVERSITY

About us

Gujarat Technological University (GTU) is one of the largest technological university in India in terms of no. of students, no. of affiliated colleges and no. of faculty members. Since its inception in 2007, GTU has earned laurels in utilising latest technology for its administration and conduct of its examination. Equally well known are the initiatives taken up by GTU in the field of student start-ups, internationalisation, foreign co supervisors for doctoral scholars, IPR and GTU's Post Graduate Schools.

Graduate School of Management Studies (GSMS) is one of the three PG schools initiated for providing quality management education in upcoming branches of business management. GSMS strives to adapt and constantly explore pedagogy to update the learning processes for its students to make them competitive, accountable and effective individuals in society.
