## Vishwakarma Agriculture

Vishwakarma Agriculture Private Limited is an Agritech start-up based in Khedbramha, Gujarat, India that was founded in 2021. We are a group of motivated and passionate individuals working to find solutions to electrify the farm equipment range. We believe that the modern problems of tomorrow can be solved with same old agriculture practices with an additional touch of Electric Vehicle. We believe that our company's success is driven by innovative technology and amazing people. Currently we are operating in Rural Gujarat region. We are recognized by Startup India (DPIIT), Meity Startup Hub

## Techstars Startup Weekend

Startup Weekend is a great place to connect with passionate people driven to build something new. There is no better place to meet new friends, colleagues, mentors, cofounders, and investors. Knowing you're not alone can make all the difference. Startup Weekend provides participants many opportunities to engage and connect with like-minded individuals — and truly start something amazing.
