Festivals build group cohesiveness. Festivals inform, educate, bring people together, break the monotony of routine, and give us a chance to re-energize our body, mind, and spirit. Ganesh Chaturthi is a festival that marks the birthday of Lord Ganesha.

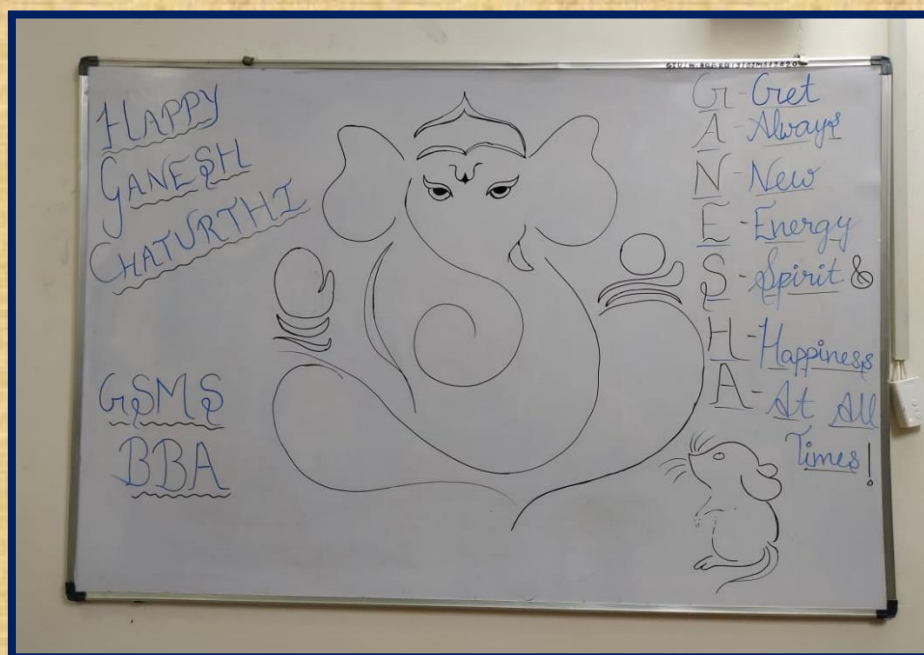

People believe that Lord Ganesha – the symbol of wisdom – bestows his presence on the earth during this festival and remove their obstacles. With such belief, Vinayak Chaturthi was celebrated by the BBA students of Graduate School of Management Studies (GSMS), Gujarat Technological University (GTU) on 30th August 2022.

All the students actively took part in the celebration. Students made Lord Ganesha sketches and painting and decorated the class with handmade decorative material. The students made nice decorative objects from newspapers.

The white board of the classroom was also decorated with a sketch and Ganesh Chaturthi wish.

The students enjoyed a lot and performed dance on Ganpati songs. They also played garba with lot of energy.

There was a devotion, creativity, and fun altogether. The celebration ended with a group pic.
