ONE EARTH • ONE FAMILY • ONE FUTURE

“AVSAR 2023” - Days’ celebration was organized by GSMS-GTU as a part of welcoming the students to college premises after completion of their semester exams. Between the countless hours of studying and the high levels of stress, the life of a Management student may not always feel fun and exciting. Yet, there are a few key moments in Management school that needs to be cherished. Helping the students to celebrate these moments in Graduate School of Management Studies, the Cultural Committee organized “AVSAR 2023” to make memorable moments with a number of signature events that will stand out and define the best moments of experience in a Management school!

The celebrations were planned for a week from 13th March, 2023 to 18th March, 2023 in which students became creative to show different themes including Group day, Professional day, Traditional day, Signature day, and Sports days.

The first day of the celebration was viewed as “A Group day” wherein the students were asked to dress up as a group with reference to famous lead and supporting characters from a movie. The interested participants were then evaluated on the basis of their attire, justification of choosing the particular set of characters as well as their presentation skills and the group who scored the maximum points was declared as a winner. A quiz based on G-20 theme was also organized on this day with an objective to create awareness about the G-20 amongst the student groups.

The second day was observed as “A Professional day” wherein students were asked to dress up in a particular profession of their choice. The interested participants were then evaluated on the basis of their attire, justification of choosing the particular set of characters as well as their presentation skills and the one who scored the maximum points was declared as a winner. An activity of back-to-back drawing was also organized on this day wherein students were asked to team up in a pair and pictures based on G-20 theme were given to them for identification.

On the third day, students were asked to serve as volunteers in the mega event named “Drug Free India” in association with Art of Living and Education Department, Government of Gujarat.

The fourth day was observed as “A Traditional day” as a celebration of India’s diverse culture. Students were asked to come in traditional attire from their native State or Country, or specific culture of their choice. To make the traditional day more entertaining, various activities like ramp walk and Garba – Gujarat’s traditional dance, were arranged for the students. Towards the end of the event, winners were announced for every day celebrations and Prize distributions were arranged for the winners. Lots of pictures were clicked by everyone to create memories of their delighted moments.

The fifth day was viewed as “A Signature day” wherein students were asked to wear a White/Off-white T-shirt with Black/Blue jeans. The campus was able to notice students writing messages and sketching smileys and caricatures on each other’s faces and clothes. While some messages left students teary-eyed, others tickled their funny bone made everlasting bonding with their buddies.

The last two days were also celebrated as “AAROHAN 2023” – sports days wherein students actively participated in various indoor and outdoor games and enjoyed to the fullest for both the days.
