STUDENTS SPEAK

GSMS, GTU has developed my overall personality and boosted confidence in me. Competitive knowledge impacted by learned faculty has brightened my career options. – **Shikongo Rosina Tashiya (MBA-IB Student)**

With increased competition in all areas of human endeavour, business owners must innovate to stay relevant. The MBA in Innovation Entrepreneurship and Venture Development offered by GSMS GTU is the perfect gateway for innovators and startup founders to understand, learn, and grow. – **Ashhar Ahmed Shaikh (MBA IEV Student)**

Besides providing in-depth theory sessions, practical sessions, and recent marketing trend lectures, the PGDDM course will help me maximize my potential in digital marketing. There is a strong emphasis on being professional rather than just job-ready. Professors are excellent and always help you become a better professional. – **Nikita Dongare - Content Writer Education Exclusive Pvt. Ltd. (PGDDM Student)**

Here, I got a lot of opportunities as well as support from faculties. My knowledge & skills have been boosted after joining here. It has helped me grow personally as well as professionally. All the faculties are so motivational and are very supportive. In our college, many activities are conducted to improve our skills. – **Akansha Jadia (BBA Student)**

I sincerely appreciate GSMS,GTU Hospital Management course. The comprehensive curriculum, dedicated faculty, industry connections, excellent infrastructure, and efficient support have been exceptional. The knowledge and skills acquired are invaluable for my transition to Anesthesia to Medical Superintendent. I highly recommend GSMS PGDHM course for a fulfilling healthcare career. – **Dr Heena Chhanwal- Medical Superintendent GCS Medical College and Hospital (PGDHM Student)**
