4) Description of Event:

The objective of the GSMS GTU Alumni Garba Eve was to foster unity, cultural appreciation, and community bonding. By bringing together alumni, current students, and faculty members in a festive celebration, the event aimed to create a sense of togetherness, highlighting the enduring traditions and cultural diversity within the GSMS.

Students danced to traditional Garba and Dandiya Raas, showing off the rich cultural traditions of Navratri. The music and dancing spread joy across the campus, and everyone joined in the fun. The campus looked vibrant by the presence of students with their traditional attire. What made this event even more special was that alumni, who were students at GSMS in the past, were invited to join the party. This mix of past and present students made the celebration even more exciting. It was like a big reunion where everyone shared stories about their time at GSMS.

It wasn't just a Navratri celebration; it was a big family get-together that showed how much fun it is to celebrate together and appreciate each other's cultures. The GSMS GTU Alumni Garba Eve brought smiles, laughter, and memories that will last a lifetime.
