Report on Awareness Programme on Exports

Organized by: Gujarat Technological University - School of Management Studies (GTU-SMS) & Federation of Indian Export Organizations (FIEO)

Date: 12th February 2025

Venue: Acharya Chanakya Hall, GTU, Gandhinagar

1. Introduction

The Awareness Programme on Exports was organized as a collaborative initiative between Gujarat Technological University-School of Management Studies (GTU-SMS) and the Federation of Indian Export Organisations (FIEO). This programme was held under the Niryat Bandhu Scheme, aimed at enhancing knowledge about export opportunities and procedures among students, entrepreneurs, and business professionals.

A total of 84 participants (students) attended the session, along with 10 faculty members. The feedback received from the participants was overwhelmingly positive, with attendees appreciating the insights provided on export procedures and international trade.

Additionally, the event was well-supported with student kits provided to participants. A total amount of ₹21,480/- was allocated for the lunch and snacks for the students attending the programme.

2. Aim and objective of the Event

The primary aim of the Awareness Programme on Exports was to educate students and aspiring entrepreneurs about the fundamentals of international trade. The event sought to bridge the knowledge gap between academic learning and practical applications in export businesses. By engaging with industry experts, participants gained insights into the benefits of exports, government schemes, and global trade practices.

The primary goal of the programme was to provide insights into the export ecosystem, government initiatives, and practical aspects of international trade. It focused on educating participants about export facilitation, policy frameworks, and Gujarat's role in India's export growth.
