Report on “A Workshop on Professionalism in the Corporate World”

- 1. Title of Event:** Professionalism in the Corporate World.
- 2. Type of Event:** Workshop
- 3. Date:** 24th April, 2025 and 25th April, 2025
- 4. Time:** 10:00 AM to 01:00 PM
- 5. Venue:** GTU-School of Management Studies, Chandkheda, Ahmedabad.

6. Description of the Event:

An enriching workshop was conducted by Mr. Maulin Pandya, an accomplished corporate trainer with vast experience in guiding young professionals. The workshop was designed to equip students with essential skills and a deeper understanding of professionalism in the modern workplace. Mr. Pandya highlighted critical aspects of corporate conduct, including effective communication, time management, personal presentation, ethical behaviour, and workplace etiquette. He emphasized how professionalism not only shapes individual success but also contributes to a positive and productive work environment. The workshop was highly interactive, encouraging students to share their thoughts and questions. One of the highlights was a role-playing activity where students participated in real-world corporate scenarios. These activities simulated common challenges faced in offices, such as conflict resolution, leadership dynamics, team collaboration, and handling client interactions. Students found this hands-on approach both engaging and educational, as it helped them understand the practical implications of professional behaviour. Overall, the workshop served as a valuable learning experience, preparing students to adopt a professional mindset as they transition from academic life to the corporate world.

10. Feedback of the Event:

The workshop conducted by Mr. Maulin Pandya proved to be highly insightful and impactful for all participants. The workshop effectively bridged the gap between academic knowledge and corporate expectations by focusing on real-world professional skills. Students appreciated the clear and practical guidance provided on communication, ethics, workplace behavior, and time management. The role-playing activities were particularly well-received, as they allowed students to experience real-life corporate challenges and apply problem-solving and leadership skills in a practical setting. This interactive approach made the workshop engaging, lively, and highly relatable to students preparing to enter the corporate world. Overall, the workshop significantly enhanced the participants' understanding of professionalism and prepared them to navigate corporate environments with greater confidence. Students expressed their gratitude for the opportunity to learn directly from an industry expert and requested similar workshops in the future for further professional development.
