

Gujarat Technological University School of Management Studies (GSMS)

(Accredited with A+ Grade by NAAC)

“Report: Representation of GSMS, GTU at GATE 2025”

Event: GATE 2025 – GCCI Annual Trade Expo

Dates: April 10–12, 2025

Venue: Vigyan Bhavan, Science City, Ahmedabad

Organized by: Gujarat Chamber of Commerce & Industry (GCCCI)

Website: www.gccigate.com

Overview:

GATE 2025 served as Gujarat's premier trade expo, uniting over 300 exhibitors across various sectors, including renewable energy, artificial intelligence, Agri-tech, and sustainable solutions. The event aimed to foster collaboration among businesses, innovators, and policymakers, aligning with India's Vision 2047.

GSMS, GTU Participation:

Representing GSMS, GTU, I actively engaged in the expo to showcase our institution's commitment to innovation and management excellence. Our participation highlighted the academic programs, and entrepreneurial ventures fostered by GSMS. Interactions with industry leaders and fellow exhibitors provided insights into current market trends and potential collaborative opportunities.

Key Takeaways:

- **Networking:** Established connections with industry professionals and academic peers, opening avenues for future collaborations.
- **Exposure:** Gained firsthand experience of emerging technologies and business strategies prevalent in today's market.
- **Institutional Promotion:** Enhanced the visibility of GSMS, GTU, reinforcing its position as a hub for management education and research.

Conclusion:

Participating in GATE 2025 was a valuable experience that not only showcased GSMS, GTU's strengths but also provided a platform to engage with the broader business and academic community. The insights and connections gained will contribute to our institution's ongoing efforts to align with global standards and innovations.
