Q11	Your dislikes about the course: (Optional)	The course was too lengthy, Bss gujarati medium se hu is liye samaj nai aata thoda Nothing about dislike but share ppt as per units, Pacing Issues: Some topics felt rushed, making it hard to fully grasp the material.Limited Feedback: More regular feedback on speaking and writing would have been beneficial for improvement.Resource Accessibility: Some multimedia resources were difficult to access or required additional tools. Language barrier																																																																								
Q12	What did you like most about the course (Optional)	Syllabus sequence I like the most is helpful nature of nisha mam whenever there is any need she is always helpful for their students Course was taught in excellent manner. The way of teaching., Understand Ppts didn't look boring, teacher taught satisfactorily Practical Vocabulary: Focus on real-life vocabulary and idioms made it easier to apply the lang, age in everyday situations. Supportive Environment: The instructor encouraged open communication, making it comfortable to ask questions and participate. Activity, The way mam explain all the things and provide support at the time of presentation.																																																																								
Q13	Suggestion to improve the course content	Course should be always in sequence in criteria that's why easy to understand , Not a suggestion but a request that keep it up 😊, Maybe it is good to add interesting case studies to increase students' attention and interest, Interactive Activities, Role playing-real life scenarios., Group discussions on various topics, Multimedia Resources, Use videos and podcasts for diverse accents, Introduce language learning apps, Listening and Speaking Practice, Listening comprehension exercises., Speaking prompts for impromptu talks, Feedback Mechanisms, Peer and self-assessment for constructive feedback, Cultural Context, Integrate lessons on cultural norms, Invite guest speakers for engagement, Assessment and Progress Tracking, Regular quizzes and portfolio development, Use of Technology, Create online forums for writing practice, Explore VR tools for immersive experiences. Still everything thing as per mam is perfect 😊
