Report on Thalassemia and Sickle Cell Test Camp

1) **Title of Event: Thalassemia and Sickle Cell Test Camp**

2) **Type of Event:** Health Awareness and Medical Testing Camp.

3) **Date, Time and Venue of the Event:**

Date: 9th & 10th March 2026

Time: 10.30 Am & 12.15 Pm

Venue: Room No. 02, Ground Floor, School of Management Studies

4) **Description of Event (Objective/Rationale to organize the event):**

The Thalassemia and Sickle Cell Test Camp was organized by the School of Management Studies in collaboration with the Red Cross Team with the objective of promoting health awareness among students and encouraging early detection of genetic blood disorders such as thalassemia and sickle cell anemia.

The camp aimed to:

- Create awareness regarding hereditary blood disorders.
- Provide free medical screening facilities to students.
- Encourage preventive healthcare practices.
- Support government health initiatives for disease prevention.
- Promote social responsibility and community health consciousness among youth.

The event ensured active participation from students and emphasized the importance of regular health check-ups and early diagnosis.

5) **List of Experts and their brief speech:**

The medical team from the Red Cross Organization conducted the testing and guided students regarding:

- Causes and symptoms of thalassemia and sickle cell disease.
- Importance of early screening and genetic counseling.
- Preventive measures and health awareness.
- Social responsibility in preventing hereditary diseases.

Experts also interacted with students and clarified queries related to blood disorders and healthcare awareness.

6) **Number of Participants: A total 171 Participants had participated for test**

7) **Geotag Photographs of the Event:**
