and received professional consultation regarding their eye health. The camp encouraged preventive eye care and guided participants on maintaining healthy eyesight through timely diagnosis and appropriate treatment. In addition, NSS volunteers of GTU School of Management Studies also participated in the Eye Check-up Camp and LASIK Awareness Session.

5. Number of Participants: Approx. 200+ students, faculty and staff.

6. Experts:

Dr. Bhumika Shah, Professor, Department of Ophthalmology, served as the keynote speaker for the awareness session. She delivered an informative and engaging presentation on the importance of eye health, preventive eye care, digital eye strain, common vision problems, and the need for regular eye examinations. Through practical examples and interactive discussions, she sensitized participants about maintaining healthy eyesight and adopting appropriate eye-care practices in the digital era.

The eye check-up camp was supported by a dedicated team of ophthalmology experts, including **Dr. Romil Patel, Assistant Professor, Dr. Vishal Parikh, Senior Resident, Dr. Nishit Patel, Resident, and Ms. Prerika Patel, Optometrist**. The team conducted comprehensive vision screenings and provided professional consultation to students, faculty members, and staff. Participants received guidance regarding visual acuity, refractive errors, eye strain, preventive measures, and the importance of timely diagnosis and treatment of eye-related conditions.

The experts patiently addressed participants' concerns, offered personalized recommendations for maintaining eye health, and emphasized the significance of routine eye examinations. Their expertise, dedication, and active involvement contributed significantly to the success of the programme and enhanced awareness about eye care among the university community.
